revolve around delivering excellent service to customers who visit the cafe section of the restaurant. I was taking orders, preparing beverages such as coffee and tea, and serving a variety of delicious bakery items and snacks. Additionally, my responsibility was to maintain cleanliness and organize cafe area, ensuring that customers have a pleasant and enjoyable experience.

July–August

Home Service Carer, Warrigal, Queanbeyan East, NSW

My responsibilities is to perform domestic tasks like cleaning and cooking, providing social support to combat isolation, overseeing medication intake, assisting with personal care, and offering transportation for appointments and errands. They ensure clients' living spaces are organized and hygienic, engage in meaningful interactions to promote emotional well-being, monitor and administer medications, help with hygiene routines, and ensure safe travel. Thorough documentation of tasks, observations, and health changes is maintained to ensure effective care and communication.

August-Till

JB Care, Disability Services and support Organization

As a support worker, my role involves assisting individuals in developing and maintaining their independent living skills, promoting their choice and control over their lives. I work both independently and as part of a team to provide personal care, access community services, and ensure the well-being of clients. Providing personal care, emptying urine bag, giving the medications for the day, day programs and taking the clients out for shopping and leisure activities. Additionally, I adhere to administrative procedures, respect clients' rights and privacy, and contribute to the goals and objectives of my organization.

EDUCATION/ ACHIEVEMENTS

Saru M.G.M Primary School

January 2008- November 2015

Tilak High School, Lautoka, Fiji

- I attended Tilak High School from the year 2016 to 2020 as a pure science student. During my time there, I focused on a rigorous curriculum centered on the sciences. My studies encompassed subjects like English, Physics, Chemistry, Biology, and Mathematics.
