PROFILE

As a dedicated Aged Care Support Worker, I bring experience in personalized care and assisting with daily living activities. My background in support worker, housekeeping and customer service has honed my attention to detail and communication skills. While pursuing a certificate IV in ageing support, and working as a medicator and an assistant in nursing (AIN) at st. vincent aged care yennora in sydney has allowed me to contribute to resident well-being, ensuring a safe and comfortable environment. with all my basic care ideas, I am actively seeking a position within your organisation as a support worker. I am driven by the opportunity to facilitate positive and sustainable changes for individual empowerment.
