Skills

Positive Attitude: I maintain a positive attitude towards the work environment as well as towards customers to make them feel most comfortable and welcomed in the store in which i'm working at.

Reliability: I am a highly reliable person which will show up to all of my shifts as well as help out with any extra shifts needed to be covered.

Communication Skills: Through my job and my everyday life I find it easy to communicate with my closest relations as well as to new people i'm meeting for the first time and try to push my happy, positive personality.
